

Y7 Design srls is a start-up founded last year in Milan as a small but authoritative Design company.

Our traditional business model is based on the sale of high-class Italian furniture environments supplemented by excellent wine supplies, tested by us and also works of contemporary Italian art by the most prestigious masters.

We have established our headquarters in Milan center at our accountant as all Italian Design speaks "Milanese" ..

Our ethics is based on: original and creative skills, respect for suppliers and collaborators, experience gained in international contexts, real and concrete passion for Italian Design.

Our operative network boasts about twenty Italian professionals with great international experiences.

Our sales network: four signalers for the following markets: Europe, UK, North America and Asia.
